

## VISION

**We are starting a church planting movement in the south of Linz**  
by equipping and sending out leaders to plant healthy, growing and multiplying churches.

## MISSION

**Renewing neighborhoods through the love of God.**

## VALUES

*Our values represent the **why** behind everything we do as a church. At One Community we are committed to the following five core values.*

### UNITY

We keep Jesus at the center, honor others above ourselves and pursue God's vision for our church and city together.

### GENEROSITY

We honor God with our resources, considering it our privilege to invest in His Kingdom with a grateful heart.

### FELLOWSHIP

We live life in community, creating healthy environments where everyone can belong, grow and find their identity in Christ.

### LOVE

We follow Jesus passionately, choosing to serve selflessly and express our faith actively.

### EXCELLENCE

We always give our best, using our talents, gifts and creativity to glorify God and inspire others to do the same.

## CULTURE

*Culture sets the tone not just for what we do, but more so **how** we do what we do. This is why at One Community we strive to create a culture that is healthy. This means our ministry is...*

### **SPIRIT-LED**

We believe the Holy Spirit is our helper, empowering us to minister to people and meet the needs of our community. That's why we seek to hear his voice and obey his instructions, even if it means changing things last minute or doing ministry in new ways.

### **KINGDOM-MINDED**

We strive to build God's kingdom in partnership with other churches and organizations. We are open-handed and generous with our resources and people, as we continue to spread the Gospel and plant new churches.

### **VISION-ALIGNED**

All our ministries are purposefully aligned with the overall vision and direction of the church. We start new ministries and projects only when God is calling us to do so, making sure they advance the overall vision.

### **DISCIPLESHIP-FOCUSED**

We are focused on reaching new people, inviting them to follow Jesus and helping them grow and become mature disciples, who make new disciples.

### **GIFT-BASED**

We help people discover and develop their gifts and encourage them to use these gifts to serve others as part of a team and contribute to building the Church.

### **BIBLICALLY SOUND**

In all we do, we remain rooted in biblical truth, promoting biblical values and teaching sound doctrine.

### **OUTCOME-ORIENTED**

We measure both qualitative and quantitative results to help us evaluate the effectiveness of our ministry. We make progress by producing positive outcomes, not just quantitative output.
